

Diving Safari - Truk lagoon Micronesia

Dec. 7 – 14, 2019

If you have ever heard, if you have ever seen, if you have ever dreamed - now you have the privilege to touch and enjoy with us!

Top diving destination in the world - Truk lagoon Micronesia. Probably you have watched a lot of videos for Truk lagoon, World Paradise of the Wrecks and of immense coral reefs in Japan sea. During the World War II after immersion of 70 ships, 400 air plain, now Truk lagoon is a dream for every scuba diver and Top destination for diving, a place that every diver must visit once in a lifetime. It is not for skipping...!

At the end of 2019, we are going to bring you to this beautiful place, where we will have the chance to touch diving places with untouched wrecks and coral reefs. Truk lagoon is not often visited place, because of its difficult to access place in Micronesia. During the diving safari our home will be one of the two safari boat, operating in this region, SS Odyssey. SS Odyssey is 60 meter diving boat, fully equipped with everything for our incredible experience. The boat is equipped with 8 double cabins for 16 divers, with their own bath and toilet, Sun Deck, Dive Deck, TV, Wi-Fi – all necessary facilities for every diver. Here you can find more detailed information about the boat: <https://www.trukodyssey.com/index.php/accommodations>. To enjoy at maximum level your diving at the boat it is obligatory to be at minimum advance scuba diver, if you are not advance open water diver, you have enough time to do with us during the Summer of 2019, in our diving center OCEANIC Dive Center - Nikiti. During our travel we are going to make additional visit for sightseeing in Manila – Filipins or Doha - Qatar, the two options will be further discussed on a special evening with all already confirmed the safari divers.
